In the event the ED determines that the Respondent failed to fully implement and complete the Project, the Respondent shall remit payment for all or a portion of the SEP Offset Amount, as determined by the ED, and as set forth in the attached Agreed Order. After receiving notice of failure to complete the Project, the Respondent shall include the docket number of the attached Agreed Order and a note that the enclosed payment is for the reimbursement of a SEP; shall make the check payable to "Texas Commission on Environmental Quality"; and shall mail it to:

Any public statements concerning this SEP and/or project, made by or on behalf of the Respondent must include a clear statement that **the project was performed as part of the settlement of an enforcement action brought by the TCEQ**. Such statements include advertising, public relations, and press releases.

## 6. Recognition

The Respondent may not seek recognition for this contribution in any other state or federal regulatory program.

## 7. Other SEPs by TCEQ or Other Agencies

## Texas Commission on Environmental Quality

IN THE MATTER OF AN	§	BEFORE THE
ENFORCEMENT ACTION	§	
CONCERNING	§	TEXAS COMMISSION ON
CITY OF CRYSTAL CITY	§	
RN101918233	§	ENVIRONMENTAL QUALITY

#### AGREED ORDER DOCKET NO. 2014-0729-MWD-E

#### I. JURISDICTION AND STIPULATIONS

On \_\_\_\_\_\_\_, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding the City of Crystal City ("Respondent") under the authority of Tex. Water Code chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent together stipulate that:

- 1. The Respondent owns and operates a wastewater treatment facility at the terminus of Plant Street, approximately 0.2 mile northwest of the intersection of Plant Street and United States Highway 83, approximately two blocks west of the intersection of State Highway 393 and United States Highway 83 northwest of Crystal City, Zavala County, Texas (the "Facility").
- 2. The Respondent has discharged municipal waste into or adjacent to any water in the state under TEX. WATER CODE ch. 26.
- 3. The Executive Director and the Respondent agree that the Commission has jurisdiction to enter this Agreed Order, and that the Respondent is subject to the Commission's jurisdiction.
- 4. The Respondent received notice of the violations alleged in Section II ("Allegations") on or about May 14, 2014.
- 5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by the Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.

- 6. An administrative penalty in the amount of Eight Thousand Six Hundred Eighty-Eight Dollars (\$8,688) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). One Thousand Seven Hundred Thirty-Seven Dollars (\$1,737) is deferred contingent upon the Respondent's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If the Respondent fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require the Respondent to pay all or part of the deferred penalty. Six Thousand Nine Hundred Fifty-One Dollars (\$6,951) of the administrative penalty shall be conditionally offset by the Respondent's completion of a Supplemental Environmental Project ("SEP").
- 7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 8. The Executive Director and the Respondent agree on a settlement of the matters alleged in this enforcement action, subject to final approval in accordance with 30 Tex. ADMIN. CODE § 70.10(a).
- 9. The Executive Director recognizes that:
  - a. By February 9, 2014, the Respondent had disinfected the affected area exposed to untreated wastewater;
  - b. By February 13, 2014, the Respondent submitted a noncompliance notification to the Laredo Regional Office of the unauthorized discharge that occurred on February 9, 2014; and
  - c. By February 24, 2014, the Respondent replaced the pump at the Zapata Lift Station No. 1, unclogged the lift station, and repaired the back-up pump.
- 10. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Agreed Order.
- This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
- 12. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

#### II. ALLEGATIONS

As owner and operator of the Facility, the Respondent is alleged to have:

- 1. Failed to prevent an unauthorized discharge into or adjacent to water in the state, in violation of Tex. Water Code § 26.121(a)(1), 30 Tex. Admin. Code § 305.125(4), and Texas Pollutant Discharge Elimination System ("TPDES") Permit No. WQ0010098001, Permit Conditions Nos. 2.d and 2.g., as documented during a record review conducted from February 12, 2014 through March 12, 2014. Specifically, an unauthorized discharge of 10,000 gallons of untreated wastewater occurred on February 9, 2014 from the Zapata Lift Station No. 1.
- 2. Failed to provide notification to the Laredo Regional Office of a noncompliance within 24 hours of discovery, in violation of 30 Tex. ADMIN. CODE § 305.125(9) and TPDES Permit No. WQ0010098001, Monitoring and Reporting Requirements Nos. 7.a and 7.b.i, as documented during a record review conducted from February 12, 2014 through March 12, 2014. Specifically, the unauthorized discharge discovered on February 9, 2014 was not reported to the TCEQ until February 13, 2014.
- 3. Failed to employ or contract a chief operator that possesses a license equal to or higher than that of the category of the Facility, in violation of 30 Tex. Admin. Code §§ 30.350(i) and 305.125(1) and TPDES Permit No. WQ0010098001, Other Requirements No. 1, as documented during a record review conducted from February 12, 2014 through March 12, 2014. Specifically, the Facility is rated as a category "B" facility; therefore, the Facility is required to have an operator that possesses a Class "B" or higher license. The Facility was operated by an operator holding a Class "C" license.

#### II. DENIALS

The Respondent generally denies each allegation in Section II ("Allegations").

#### IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that the Respondent pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Crystal City, Docket No. 2014-0729-MWD-E" to:

> Financial Administration Division, Revenue Operations Section Attention: Cashier's Office, MC 214 Texas Commission on Environmental Quality P.O. Box 13088 Austin, Texas 78711-3088

- 2. The Respondent shall implement and complete a SEP in accordance with TEX. WATER CODE § 7.067. As set forth in Section I, Paragraph 6 above, Six Thousand Nine Hundred Fifty-One Dollars (\$6,951) of the assessed administrative penalty shall be offset with the condition that the SEP defined in Attachment A, incorporated herein by reference, is implemented by the Respondent. The Respondent's obligation to pay the conditionally offset portion of the assessed administrative penalty shall be discharged upon final completion of all provisions of the SEP agreement.
- 3. It is further ordered that the Respondent shall undertake the following technical requirements:
  - a. Immediately upon the effective date of this Agreed Order, commence operating the Facility under the direct supervision of a properly licensed operator, an operator that possesses a Class "B" or higher license, in accordance with 30 Tex. ADMIN. CODE §§ 30.350 and 305.125 and TPDES Permit No. WQ0010098001, Other Requirements.
  - b. Within 30 days after the effective date of this Agreed Order, update the Facility's operational guidance and conduct employee training to ensure that all reporting procedures are properly accomplished, including timely submittal of noncompliance notifications within 24 hours, in accordance with 30 Tex. ADMIN. CODE § 305.125 and TPDES Permit No. WQ0010098001, Monitoring and Reporting Requirements.
  - c. Within 45 days after the effective date of this Agreed Order, submit written certification of compliance with Ordering Provision Nos. 3.a and 3.b. The certification shall include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with all permit conditions. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. - 4. The provisions of this Agreed Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
- 5. If the Respondent fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the Respondent's failure to comply is not a violation of this Agreed Order. The Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The Respondent shall notify the Executive Director within seven days after the Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 6. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
- 7. This Agreed Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
- 8. This Agreed Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument.
